

Kentucky National Shorthorn Futurity

SHOW AND SALE

BOWLING GREEN, KENTUCKY

SATURDAY, MARCH 14, 1964

Shagbark Farms, Alexandria, Ky., won the Luther K. Rice Memorial trophy for the best group of three at the 1962 futurity. From left are William Meacham, Ray Sharpe, Bob Duncan, Bobby Strode, and Jim Kramer.

On behalf of the Kentucky Shorthorn Association, I would like to urge all of you to be with us on the occasion of our 15th Annual Sale. Shorthorns are on the move in Kentucky. We had the top state sale in the country in 1963 and for the fourth straight year Shorthorns topped all breeds under the Kentucky Performance Testing Program.

We have selected these cattle carefully from over 100 head nominated. The wonderful help the State has given us in having such high premiums encourages every breeder to bring his best.

Take advantage of this opportunity. Be with us for our banquet and State business meeting, starting at 7 P.M., on March 13th at the Western Hills Motel and for our Sale the following day at the New County Sale Pavilion, south on U.S. 31 W.

Yours very truly,

Jack Ragsdale

JUNIOR JUDGING CONTEST. Prizes of \$100, \$65 and \$35 will be awarded.
Turn to page 57 for details.

The \$20,000 Louada Regalia shows how a good Shorthorn bull should look in his working clothes. He is the sire of lots 2, 8, 11, 13, 29, and 59.

14 YEARS - 818 HEAD - \$402,825

A number of years ago, the Kentucky Legislature passed an act setting up a special premium fund for National Shows and Sales of each of the major beef breeds. They had a definite purpose in mind. The aim of this far-sighted legislation was to generate recognition the nation over for Kentucky as an outstanding source of supply for the finest registered seed stock . . . much as it is regarded as the finest source of Thoroughbreds. Secondly, by holding these sales in Kentucky, it was only natural that a large share of the best cattle would stay in the State to build stronger herds. Also, with these premiums as attractions, Kentucky breeders were stimulated to breed better cattle and take an increasingly larger part in the Futurity themselves.

In the 14 years this sale has been held at Bowling Green, a total of 818 head have been sold for \$402,825 . . . or an overall average of \$492 . . . to cattlemen from 22 states and Canada. These are prices that leave profit on both the buyers' and sellers' side of the ledger.

Anyone who has ever been connected with the management of a registered cattle sale knows how difficult it is to talk breeders into parting with their very best at auction. We are able to do it in this sale because of the generous premiums offered in the show. Please remember that every animal in the show will be sold at auction. This is your opportunity to share in the benefits of the Kentucky Futurity program.

GENERAL SALE INFORMATION

LOCATION: The Warren County Farm Marketing Co-operative Building, four miles south of Bowling Green, Ky., on US 31W.

TIME: Show 9:30 a.m. Sale 12:30 p.m. Saturday March 14, 1964.

LUNCH: Available on the grounds.

JUDGING CONTEST: Registration, 9 a.m. See details on page 58.

SALE HEADQUARTERS: Western Hills Motel, Bowling Green.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

HEALTH: All cattle will be sold according to the health laws of Kentucky. Inter-State health charts will be provided, but all buyers should make themselves aware of any deviations from Kentucky law that might be applicable to entry into their own states.

Brucellosis: All cattle will have a test for Bang's within 30 days of the sale, unless they are officially calfhood vaccinated and under the minimum age, or unless they come from Bang's Certified herds.

T.B.: All cattle will have a test within 30 days unless they come from Federally Accredited herds.

GUARANTEE: The cattle are to be sold under the standard guarantee of the American Shorthorn Breeders' Association. Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignors. The Kentucky Shorthorn Association, the consignors, the owners of the sale facilities will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerk of the sale assume any liability of any kind. The sale manager was retained by the Kentucky Shorthorn Breeders' Association for the specific tasks of compiling the sale offering, preparing the catalog, handling advertising and publicity, transferring pedigrees and disbursing receipts and assumes no liability for fulfillment of guarantees or errors in health papers.

AUCTIONEER: Don Smock, Whiteland, Indiana.

STANDARD GUARANTEE
endorsed by the
AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifer sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

LUTHER K. RICE MEMORIAL TROPHY**

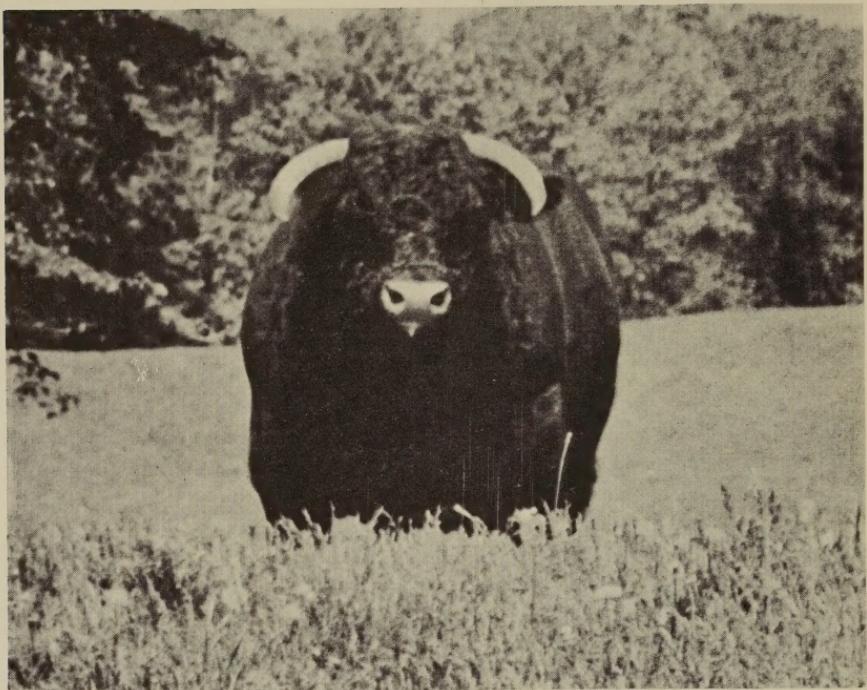

Shagbark Farm, Alexandria, Ky., won the Luther K. Rice Memorial trophy for best group of three in 1963. From left are Jim Stokes, Ray Sharpe, Bruce Hutchinson, and Bob Duncan.

The Luther K. Rice Memorial Trophy

This beautiful trophy was awarded by Luther K. Rice, Paris, Ky., to the consignor showing the best three head, bred and owned by the consignor. It became the permanent possession of Wm. Meacham, Sturgis, Ky., three years ago upon winning the award three times. A new Luther K. Rice Memorial Trophy has been offered by the Kentucky Shorthorn Breeders' Assn. in honor of the many fine things done for Kentucky Short-horns by Mr. Rice.

Missing this year from the ranks of Kentucky Futurity consignors is Luther K. Rice, Paris, Ky., who passed away January 10, 1962. He served the Kentucky Shorthorn Ass'n., the American Shorthorn Ass'n and the State of Kentucky in many capacities. He had received the national Shorthorn honor of "Builder of The Breed," had been named "Mr. Shorthorn" by fellow Kentucky breeders, and had received the Golden Sheaf award for contributions to Kentucky Agriculture. He had no peers as a Shorthorn enthusiast and as a gentleman.

INNESS PREFECT — From our unbeaten get-of-sire exhibited on our summer circuit at 11 county fairs. Prefect also was the winner of two grand championships and two reserve grand championships. His dam is a great producer for us. His full sister also showed in this get-of-sire and had three champion female awards. Scotsdale Mavis Princess again has a heifer calf that I am sure will be the senior calf in our 1964 show string. This is the kind of consistency that we are all looking for in a herd bull. We believe that you will agree this bull has the character and quality to make a real sire. Calfhood vaccinated.

SHORTHORNS TOP KENTUCKY TESTS FOR THIRD YEAR

For the fourth consecutive year Shorthorns topped blacks and whitefaces in the Kentucky Performance Testing Program. (Results of the 1963 tests have not yet been compiled.)

Reds, Whites and Roans led in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age. It is especially significant that the Shorthorn figures for these categories show improvement from the previous years, indicating that the Kentucky breeders are continually upgrading their herds.

These tests offer each breeder an added tool for eliminating poor producing cows and sires and for emphasizing the superior strains. In the end it is the buyer who benefits since he knows he is buying from performance tested stock.

Judging scene at a former Kentucky Futurity.

I purchased her dam at the Kentucky Futurity Show and Sale in March, 1961, to use in 4-H work. She won Grand Champion in Calloway County Fair, Grand Champion in Purchase District Fair at Mayfield, Kentucky, and was first in her class as senior heifer in 4-H competition at Kentucky State Fair. JUNIOR JUDGING CONTEST

We would like boys and girls interested in livestock to attend this show and sale. To make it interesting, a Junior Judging Contest will be held in connection with the show. Any 4-H or Vocational Agriculture member attending will be eligible to participate.

All participants must be registered and receive their judging cards by 9:00 a.m., at which time the show will begin. Three classes will be designated for junior placings. You will have a specified time to make your placings, handing cards in before the judge makes his official placings.

Three prizes will be awarded. These will be credits on the purchase of any animal in the sale in the amounts of \$100 (first prize), \$65 (second prize); \$35 (third prize). These credits are not transferrable, and are void at the conclusion of this sale. Should any prize winner not use his credit in the sale, an appropriate plaque will be sent to him instead through the courtesy of the Kentucky Shorthorn Association.

Whether you are a prize winner or not, you will learn by and enjoy testing your judging skills upon one of the finest groups of Shorthorns to be sold this spring. The judge will give reasons on placings in these classes.

The Kentucky Shorthorn Ass'n

Listed below are the 75 members of the Kentucky Shorthorn Ass'n, one of the strongest and most active in the nation. Their sponsorship of the Kentucky Futurity, the Kentucky Junior Ass'n, the Kentucky Field Day and a special brochure on Kentucky Shorthorns are among a few of their activities. Joining this energetic group will keep you current with Shorthorn activities in the area. Have you paid your dues? Send a check today to Mrs. Ray C. Sharp, secretary-treasurer, Route 3, Georgetown, Ky.
